

MAYFIELD
ROBOTICS

Mayfield Robotics makes home robots that are joyful, useful and inspiring.

**Make your very own Gizmo, our friendly robot mascot!
Print on card stock paper, cut-out carefully and follow
assembly directions using double-sided tape or glue.**

▶ This is what your assembled Gizmo Paper Foldable will look like!

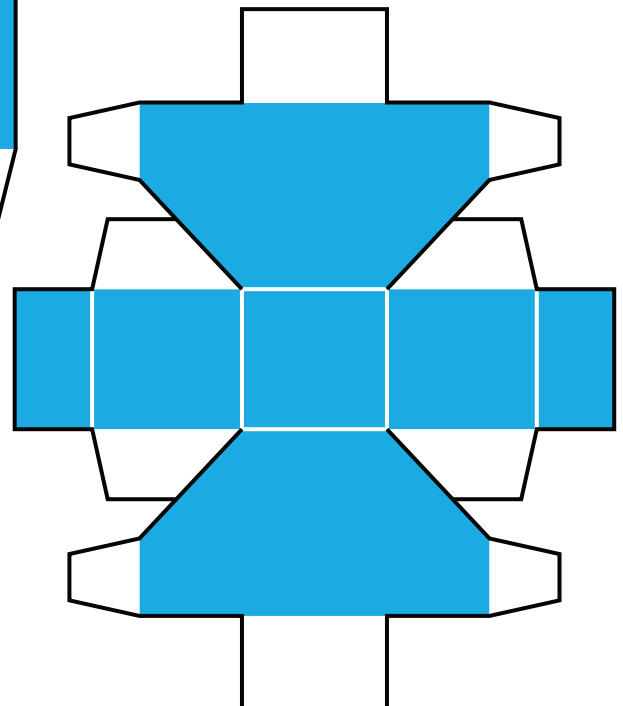

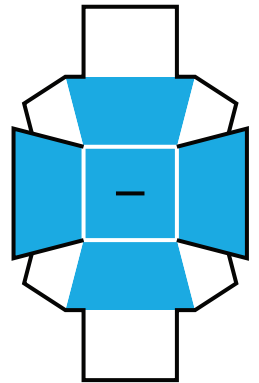

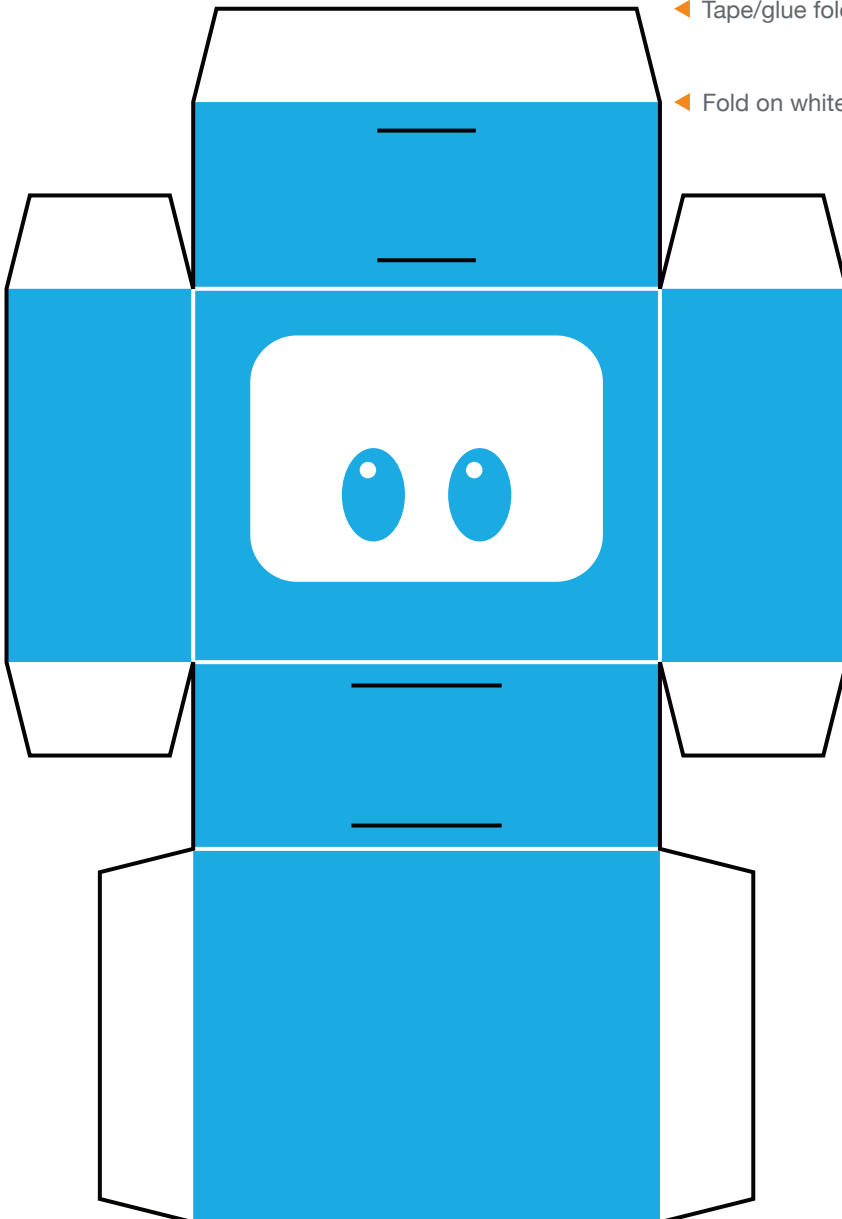

▶ Cut-out along
black outlines

▶ Cut slit for antenna

▶ Tape/glue folded tabs to insides

▶ Fold on white lines

▶ Cut slits indicated on top and bottom to
connect square tabs on corresponding parts
